Chiropractic Seminar.....Spring 2011

Want to learn more about the many benefits of animal chiropractic care? Or perhaps you'd like your pet to be physically adjusted for preventative care or problematic issues? Here is your special opportunity! At 9a.m., Dr. Jason W. Dixon from Dixon Animal Chiropractic (Bemidji, MN) will provide a one-hour presentation on health and chiropractic care for both small breed (i.e. dog, cat) and large breed (i.e. horse) animals. The presentation will be followed by private chiropractic adjustments from 10:15 – 5:30p.m., available by reservations only. Please see flyer for more information.

“The Making of A Gun Dog – All-Breed Seminar.....Spring 2011

Have you ever wondered what it takes to turn your 4-legged companion into an excellent gun dog? Or perhaps you are just curious to learn a little more about the subject? Led by experienced trainer Morgan Haglin from Pine Shadows, Inc (Brainerd, MN), you will learn the knowledge and skills you need to transform your dog into an excellent gun dog. Whether you are at a beginner or experienced level, this all-breed seminar is sure to benefit both you and your dog. Don't miss out on this exciting new seminar! Seminar date is yet to be determined, so remember to check back with us in early spring 2011.
